NOTICE OF INTENTION TO MOVE FOR ENTRY OF DEFAULT

Dear Ms. Fowler:

I was giving you notice of my client's intention to obtain entry of default without further notice on January 10, 2008. Please file your clients' answer before January 10, 2008 so that I do not have to do that. You have essentially gotten an additional 10 days to file the answer. Your clients' motion for extension of time was improperly noted and is improper in other respects as well. As a practical matter, you need to file an answer as soon as possible so that the next court-imposed deadline (February 4, 2008) will not be affected too much by the delay. Let us not waste the court's time and our clients' money filing unnecessary motions or litigating unnecessary issues. Let us try to resolve the parties' disputes expeditiously.

I look forward to working with you in this case.

Very truly yours,

Vic Lam
